PRICE LISTING

Basic Assembly with Interior Mouldings

Extremely seaworthy hull with interior mouldings, woven rovings used in hull, built to highest specifications, deck fitted and bonded to hull. Excellent Non-Skid deck surfaces, full hood mouldings, full length bunks glassed in to form box girder for extra strength, moulded flotation under bunks (enough to float boat and crew), drained ice box, flocoated cabin internal, all fibreglass hatches supplied, windows cut out, concealed electrical wiring, towing eye, safety toe rail, moulded gunwales, 181kg aerodynamically shaped swing keel and worm drive winch fitted.

\$11,855.

Sail Away (*Ready to sail*)

All features included as above, tinted windows fitted, aerodynamically shaped swing-up rudder with locking down line and lifting tiller, all deck fittings including mooring and anchoring cleat and special bow roller for anchor rope, fairlead, 2 jib winches, gunwales, 2 piece lockable cabin door, stainless steel outboard mount, boarding step on specially reinforced transom, locking down line and indicator for keel, under bunk hatches, teak mast post and centreboard case with through ventilation fitted, drained anchor hatch large enough to hold YA approved anchor, stainless steel or teak handrails, white hull with contrasting waterline, spacious sliding hatch provides open feel cabin eliminating the need for "pop-top" when used with awning, cloth bunk cushions, pulpit, pushpit and boom vang.

\$16,700.

Anodised mast and boom with jiffy reefing, including jib furler and spreaders

\$2000.

Mainsail, jib, with sail number and sail bag.

\$800.

Galvanised 2 wheel tilt trailer with winch, including jockey wheel and override brakes.

\$2,500.

TOTAL. \$22,000.

A hydraulic ram system is available for raising the keel for \$380.

The CAREEL 18 Mk III can be built to MSB survey. POA.
