EXPORT CATALOGUE

The remarkable RL 24 is still Australia's most popular trailer yacht with over 400 sold. Sleeping 4-5 in comfort, this yacht offers outstanding performance, easy launching, retrieving and rigging and particularly for the boating family. The RL 24 has many safety features and is the winner of the Good Design Award, and as with all RL's, is available in different stages of construction.

RL 24 MK IV

For ultimate racing the MK IV keel is extra efficient, and combined with the fully battened mainsail, gives top performance. It requires the keel to be half down to be self righting. The right boat for the racing orientated.

RL 24 MK III The Swing Keel

MK III is selfrighting and has sufficient built in buoyancy to ensure floating in all situations. Ideal for cruising and family fun whilst retaining good performance.
